Gianrico Farrugia, M.D., Mayo Clinic President and CEO

"By every measure, Mayo Clinic made excellent progress in 2023 towards our goal of creating a better healthcare system for the United States and globally,"

Victoria Regan, M.D., Vice President, Women's And Children's Service Line At Memorial Hermann

"We have a national mental health crisis of all ages, but specifically with the adolescent population, and that really rose after COVID,"

Michael Dowling, President And CEO Of Northwell Health

"This partnership opens a new and exciting chapter for Northwell and Nuvance and provides an incredible opportunity to enhance both health systems and take patient care and services to an even higher level,"

Dan Morissette, CFO Of CommonSpirit

"We expect FEMA to obligate the funds by the end of the fiscal year 2024, but again it depends on how soon they finish the review and audit of these applications."
